

# Winter Toast

## A request from the Queen of Angels Parish Men's Club...

A lot of beer.

No, not a lot of beer, I mean a lot of beer. Let me explain.

Last year at this time, a very hip group of dads at Queen of Angels got together and each purchased a case of beer and brought it over to Mrs. Kelly's office. No, not for Noah Madden and Tim Selgrat's personal use; it was purchased to create an auction lot for Winter Toast. A lot of beer that was (an auction) lot of beer.

In total, these cools dads donated 28 cases of beer that was auctioned off for over \$800. A reasonable investment (\$20-\$30) by each of these guys blossomed into a good sized profit for the school thus keeping our tuition down so we can buy a lot of beer. Plus, some wise sage got a summers worth of beer for pennies on the dollar.

So, what are we going to do this year? You got it, we're strongly suggesting that each of you purchase a warm case of beer and bring it over to school. Yes, it will be safely stored in Mrs. Kelly's office. What kind of beer? Whatever looks good. Please don't bring any old, skunky beer that has been in your fruit cellar for seven years. Buy something that you would be excited to drink. It doesn't have to be expensive, just good. For handling purposes, it's much easier on everyone if you purchase a case of beer, as opposed to four-six packs or two-12 packs. Bottles are always preferred but not mandatory. If you want to donate more, please do so.

Not a beer guy? No problem, drop off wine, booze, water, \$25, or pop. There are many ways to donate.

After you purchase and drop off the beer send an e-mail to: [wsteger@depaul.edu](mailto:wsteger@depaul.edu) and let Wayne know what and how much has been donated so we can check you off our list.

Our goal: 100 cases of beer that, if we extrapolate properly from last year's example will go for over \$3000. This is pure profit that results in better rewards for our teachers, lower tuition for all families, and a boat load of brew for someone.

Everyone can donate. Please pass this on to any/all Queens's families that are not included on this list. Let's see if we can entirely fill Mrs. Kelly's office.

Questions? Please call 773.677.5328, 773.575.4483, or 1.HEY.BEER.GUY
